“Damascus...”

The city that never ages nor fades. Where every stone whispers the memory of millennia and every breath carries the promise of eternal renewal. Today, Damascus begins a new chapter in its enduring story.

From the heart of this ancient city...**GUARANTEE** proudly welcomes you to **“Medica Scope.”** A platform that has emerged from years of dedication, deep study and clear vision of a concept founded upon a precise understanding of the healthcare sector’s needs in Syria.

Our objective is to implement a strategic foundation that fosters investment, revives confidence, and enables innovative and sustainable partnerships in healthcare future.

Medica
Scope

More Than an **EXHIBITION!**

Medica Scope 2026 is an integrated scientific platform that brings together leading experts, innovators, and decision-makers.

What Awaits You?

- Medical Devices & Smart Hospital Systems
- Pharmaceutical Industries & Digital Medicine
- Healthcare Education & Training Technologies

This platform is highly designed to:

Facilitate technology transfer - localize medical industries - Support healthcare reconstruction efforts - connect investors with key stakeholders.

Powered by Innovation, Medica Scope will employ:

Advanced communication tools - Intelligent data analysis - direct marketing strategies.

All there to ensure high-impact engagement between exhibitors and active visitors from across Syria.

EXHIBITION

YOUR PRESENCE IS MORE THAN ATTENDANCE

IT IS A PARTNERSHIP IN **A GREATER VISION**

To restore Damascus as a beacon of scientific excellence and medical innovation, and to mark this exhibition as a milestone in the journey of rebuilding and enhancing the quality of medical care nationwide.

“Medica Scope” is a symbol of the Syrian people's determination to rise again, and a message of hope that we deserve the best, and that human health is the cornerstone of any true recovery.

We Proudly welcome you to this landmark event and cordially invite you to be our partner in shaping a healthier and more secure tomorrow.

Together, we build bridges of knowledge and innovation. and hand in hand, we write a new chapter worthy of Syria and of Damascus, "The Ever-Glowing City".
